COMMUNICATIONS AT CONGRESSES

Insulin treatment of hyperglycemia in the ICU (Poster presentation).

A. Samokhvalov MD, R. Farah MD, Y. Horn MD, F. Zveibel MD, N. Makhoul MD.

18th Israeli Medical Association World Fellowship International Conference – Advanced Technologies in Medicine
Jerusalem, Israel, April 11-15, 2007

Control of hyperglycemia among septic and non-septic patients in a general ICU (Poster presentation).

Alexander Samokhvalov MD, Fabio Zveibel MD, Nicola Makhoul MD.
SEPSIS 2007 - An International Symposium,
Institute Pasteur, Paris, France, September 27-29, 2007.

Intensive Insulin Therapy and Glycemic Control in Critically Ill Patients (Poster presentation).

Alexander Samokhvalov, Nicola Makhoul, Fabio Zveibil.
The 50th Conference of the Israel Society of Critical Care Medicine
Haifa, Israel, July 17-19, 2008.

Results of Tube Thoracostomies Performed by Intensivists versus Thoracic Surgeons (Poster presentation).

Alexander Samokhvalov, Edward Altman, Nicola Makhoul

The 51th Conference of the Israeli Society of Critical Care Medicine
Herzliya, Israel, July 1-2, 2009.

Glucose control in respiratory ICU (e-Poster presentation).

Samokhvalov A. Makhoul N.

22th Annual Congress European Society of Intensive Care Medicine
Vienna, Austria, October 11-14, 2009

Pre-congress post-graduate course on Echocardiography in ICU –
Advanced level, Vienna, Austria, October 10-11, 2009

Glucose regulation in ICU (oral presentation).

Annual meeting of the Israeli Society of Critical Care Medicine

Western Galilee Hospital, Nahariya, Israel, March 2, 2010

Our difficult case - Acute Chest Syndrome (oral presentation).

The 53th Conference of the Israeli Society of Critical Care Medicine
Nazareth, Israel, July 14-15, 2011.

33-rd ESPEN Congress, Gothenburg, Sweden, September 3-6, 2011.

Pre-congress LLL course "Nutritional support in respiratory diseases"
Gothenburg, Sweden, 2 September 2011.

Pre-congress LLL course "Nutritional support in ICU patients"
Gothenburg, Sweden, 3 September 2011.

34-th International Symposium on Intensive Care and Emergency
Medicine. Brussels, Belgium, March 18-21, 2014.

Aggressive treatment of simple pleural effusion in ventilated patients:
pigtail catheters versus thoracostomy. (Poster Presentation).

A. Samokhvalov, MD, E. Altman, MD, A. Szabo, MD *et al.*

26 International Congress of the European Respiratory Society. London,
United Kingdom, September 3-7, 2016.

The 3rd Update Symposium Mechanical Ventilation & Hemodynamics
ICU & OR. Tel Aviv Medical Center, Israel, January 25-26, 2018

Bedside Ultrasound and Pigtail Catheters for Management of Pleural
Effusion in Geriatric Population. (Poster Presentation).

B. Svirsky, E. Altman, S. Azzam, A. Samokhvalov *et al.*

28th International Congress of the European respiratory Society.

Paris, France, September 15-19, 2018.

39th International Symposium on Intensive Care and Emergency Medicine. Brussels, Belgium, March 19-22, 2019.

The 5th Mechanical Ventilation Symposium. Tel Aviv Medical Center, Israel, February 3, 2020.

Utilization of ultrasound guided peripheral intravenous access as a part of CLABSI prevention program in general ICU. (Poster). Samokhvalov A, Talker-Rafter E, Karpukhin R. *et al.*

Prywes' Conference of Tuition by Ultrasound. Beer Sheva, Faculty of Health Sciences Ben-Gurion University of Negev, Israel, March 5, 2020.

WINFOCUS World e-Congress 2021. Pandemic and Beyond.

June 12-13, 2021.

Annual Conference of Israeli ECMO society. Tel Aviv, Israel,

November, 9, 2021.

Annual Conference of the Israeli Society of Critical Care Medicine. Zikhron Yakov, Israel, 30.06-01.07.2022.

Annual Conference of the Israel Society of Toxicology . Tel Aviv, Israel, 12.12.2022
